

## Job Posting

### Primary Care Flight Paramedic

Full-Time Positions- Thunder Bay and Sudbury

7 Day ON, 7 Day OFF scheduled shifts with on call hours between 0400h and 1600h

Thunder Airlines is looking to hire a qualified Primary Care Flight Paramedic to join our medevac team at our Thunder Bay or Sudbury base. For over 25 years, Thunder Airlines has established itself as a leader in pre-hospital care providing Air Ambulance services on behalf of Ornge. We offer competitive wages that include airtime, signing and retention bonuses as well as the opportunity for overtime shifts. Flight Paramedics can anticipate a first-year salary between of \$75k-\$100k. All Flight Paramedics receive paid training including Ornge Base Hospital Certification and yearly CME. In addition, we offer flight benefits with commercial airlines that allow you, your friends and family to travel at significantly discounted rates anywhere they fly.

### Job Description

- Provide medical care and treatment according to BLSPCS/ALSPCS and Ornge Base Hospital Medical Directives.
- Transfer patients as directed by Ornge.
- Complete daily aircraft inspections, re-stock medical equipment, and ensure all routine and post-call cleaning and disinfecting is completed as required.

### Qualifications

- Meet all qualifications of a Primary Care Paramedic in accordance with Ontario Reg. 257/00 under the *Ambulance Act*
- A-EMCA Certification
- Successful completion of an approved Aeromedical Theory Program (Ornge)
- Valid First Aid and HCP Level CPR
- Successful completion of an approved aeromedical patient care examination
- Current and up-to date immunization record and free of communicable disease as required by the *Ambulance Act*.
- Class F drivers licence that remains in good standing in accordance with the *Ambulance Act*

### Additional Information

- Candidates are not required to relocate as a condition of employment but it is preferred
- References will be requested from those invited to an interview
- Successful candidates will receive a conditional offer of employment pending further evaluation including Ornge Base Hospital certification
- Onboarding process will require candidate to provide a Criminal Record/Vulnerable Sector Search, Driver's Abstract and Health Status Form (signed by a physician or delegate)
- Additional certifications including Transportation of Dangerous Goods by Air and Restricted Radio Licence will be complete during onboarding.
